

EXPLORE

Camp Somerset

Our aim is to provide you with an enjoyable stay, and that's why it is important to us that you are welcomed to our family friendly campsites, that are alcohol, drug, and tobacco free, creating a relaxing and safe environment for you to unwind and enjoy what the dam has to offer. For the safety of yours, and your guests stay, please take a moment to read our camping guidelines below. Should you have any questions please let a member of our staff know and they'll be happy to assist you.

Arrival/ Departure

Please adhere to your booking arrival and departure times, as guests may be still be enjoying their booking, and guest may be arriving directly after you. During school term, we are unable to accommodate campsite arrivals prior to 3pm on Fridays due to incumbent schools using our facilities.

20

Speed Limit

All internal roads are shared roads between vehicles, pedestrians and cyclists. Speed is limited to 20km/h unless otherwise signed.

Site Access

Our Main Entrance gate, which provides access to the Barn Ablution block, is shut from 4pm – 8am on weekdays, Closed Saturdays and re-opens again on Sundays from 9am-2pm. You will need to keep your access codes on you to gain entry through the main gated area. Please assist us through keeping the waterfront gate LOCKED at All Times, which also helps protect your belongings.

Camp Somerset monitors UHF Channel 28 during office hours. Alternately we can be reached through the public phone located at the Office by dialling the speed dial button for the Duty Manager

Boating/ Fishing

Fishing permits (SIPS) can be obtained online through a search engine online for 'Stocked Dam Fishing Permits QLD – Somerset Dam'. Boating permits are not required on Somerset Dam.

For any complaints/feedback please contact SEQ Water or the Local Police who have jurisdiction over the dam. When boating on the Dam please ensure you operate your boat in an anti-clockwise direction and follow general boating rules which relate to non-powered boats, swimmers and the shoreline, and legal distances.

Visitors

Only those guests on your submitted final guest list are permitted to enter site for your booking. Additional guests need to have been registered prior to your arrival and their camp fees paid for before you attend site.

Camp Somerset

Amenities

Each campsite has access to a shared composting toilet block. These toilets can only accommodate normal bodily waste products. IF you happen to drop anything else into the toilet please notify the Duty Manager before departing. Staying COVID-19 safe –while cleaning will be occurring by Somerset Staff, it is also the users responsibility of either the waterfront toilet facilities or the shower block that if used, we ask and recommend the area is sanitised before and after use, including the mopping of the floor in the shower block. Children will require assistance as the sanitizer spray supplied it not suitable for their handling. For showers/washing machines, these facilities are located at the Barn Ablution block, accessible from our Main Entry Gate. Please refer to your gate code email for your personal access code to unlock the main front gate. Washing machines require 3x \$1 coins to operate a cycle.

Camp Somerset assumes no liability for any property of campers lost or damaged on our site.

Fires

Fires are limited to use within the concrete fire rings are located at each campsite. BYO firewood is permitted, no firewood is available onsite for purchase, nor are site trees to be chopped down. It is a site requirement that ALL fires be fully extinguished **prior** to your departure to ensure the safety of all campers and in protecting the camp sites native flora and fauna. In the event of a FIRE please evacuate the camping area in a safe and calm as possible manner and head to the assembly area – the Lake Edge or IF at the Barn proceed to the Oval.

Restrictions

Waterfront campers are able to access the Barn Ablution block for purposes of showers/washing machines, however access is NOT permitted any further within our accommodation precinct, unless you are guests of the groups hiring our Complex and Lodge facilities. Oval access is also NOT permitted, and please look for any signage that may restrict access to the valley. Please speak with our Office Staff should you be interested in organising a hike on site for your next camp.

NO Pets/Firearms/Drugs/Alcohol/Tobacco/Vaping/Hunting gear/Motor Bikes/Nudity. No ACCESS is granted for vehicles on any fire-trails.

Site Noise curfew applies between the hours of 10pm-7am daily, this includes NO generators to be used during these times. Outside of these hours, campers are permitted the use of generators during their stay, provided they are quiet and do not disturb other campers.

Safety

Supervision of children is the camper's responsibility. It is the leader of your camp's responsibility for each camping guest, which is particularly important in case of an emergency. Please alert the Duty Manager should you need to report any incidents that have occurred.

Camp Somerset reserves the right to exclude any person from the camp site for unacceptable behaviour.
